

EPISODE 2: BEING SAFE

Hello

We want everyone to be safe, happy and proud so we developed these materials.

Watch our videos and use our worksheets to help you learn about staying safe and having fun online.

From
Eastside Community Heritage
& their friends and supporters

Do you want to talk about being safe online?
Contact us and we will arrange it.

These materials should be used with our video "Being Safe." Learn about different ways to stay safe in your community and online.

Activity one

There are many ways to keep safe in the community.

Talk to your friends.

Ask them how they keep safe at

- home
- work
- college
- a cash point or ATM

Activity two

There are many ways to keep safe online.

Talk to your friends. Ask them about

- virus protection
- passwords
- signing in and out of email
- using safe websites
- online banking
- Facebook

Activity three

Sometimes things can go wrong online.

Talk to your friends.

What would they do if

- they were bullied online
- their personal information was stolen
