

## EPISODE 3: PASSWORDS

Hello,

We want everyone to be safe, happy and proud so we developed these materials.

Watch our videos and use our worksheets to help you learn about staying safe and having fun online.

From  
Eastside Community Heritage  
& their friends and supporters

Do you want to talk about being safe online?  
Contact us and we will arrange it.

These materials should be used  
with our video "Passwords".  
Learn about passwords and why  
they are useful.

## Activity one

### Passwords are like locks.

Talk to your friends and family.

Do they use passwords?

Why?

## Activity two

### Watch our video. Hayley says that passwords can be made up of letters and numbers.

Talk to your friends and family.

- How do they remember their password?
- Do they keep their password secret? Why?
