

## EPISODE 4: PRIVACY

Hello,

We want everyone to be safe, happy and proud so we developed these materials.

Watch our videos and use our worksheets to help you learn about staying safe and having fun online.

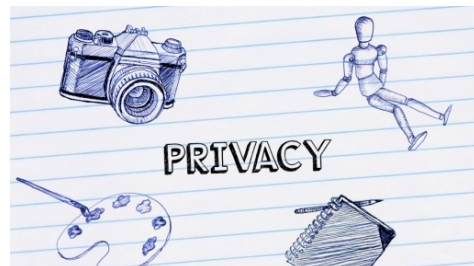

From  
Eastside Community Heritage  
& their friends and supporters

Do you want to talk about being safe online?  
Contact us and we will arrange it.

These materials should be used with our video "Privacy". Learn about privacy and why it's important.

## Activity one

**Think about people in your community.**

**Who do you trust to keep your details private?**

Ask your family and friends. Who do they trust? Why?

## Activity two

**Think about when you go online. Can you trust sites like Facebook to keep your details private?**

Ask your family and friends. What do they think about Facebook?
